

# Municipal Stormwater Permits Receiving Water Limitations Language

Public Workshop  
November 20, 2012

County of Los Angeles and  
Los Angeles County Flood Control District

# Overview

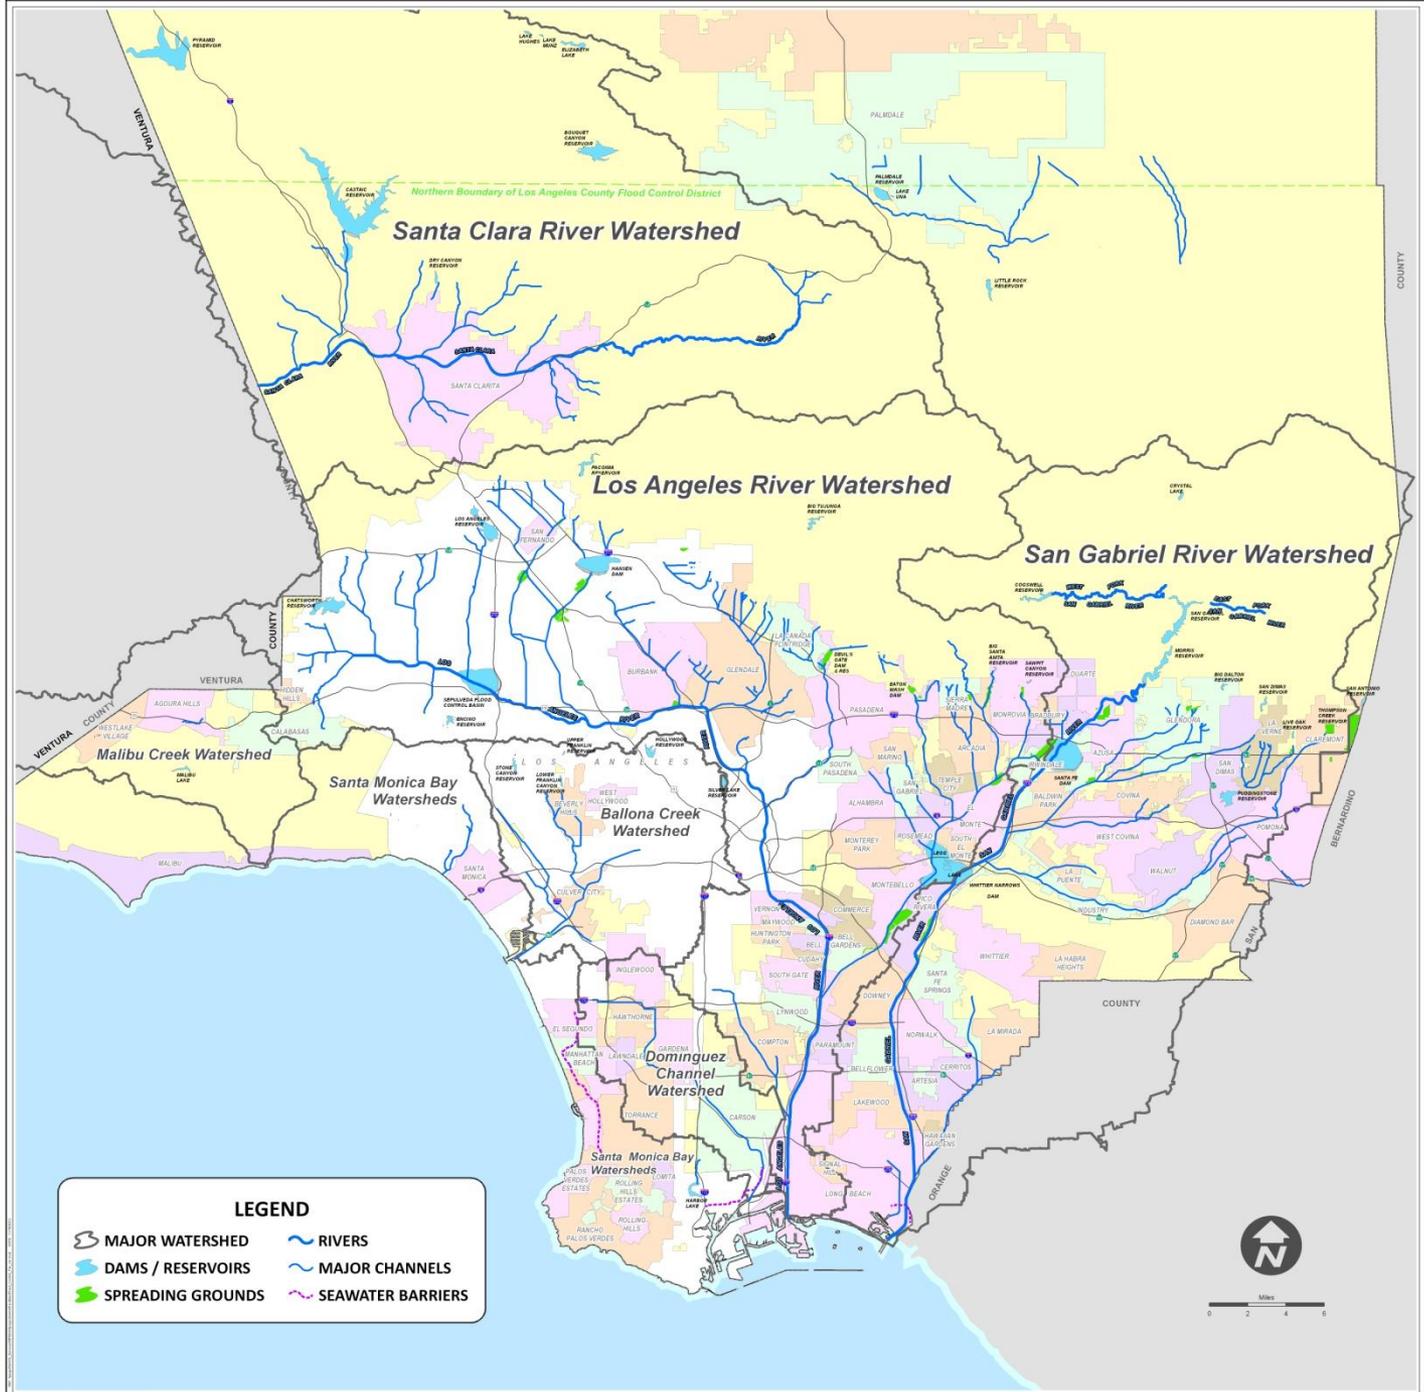

- ▶ State Board Has Emphasized Compliance Through Iterative Process
- ▶ Allow Planning on a Watershed Scale
- ▶ Need to Encourage Collaboration

# RWL Language Should Encourage Watershed Management

- ▶ Prioritize pollutants
- ▶ Foster collaboration
- ▶ Incentivize a watershed approach to water resource planning

***Tujunga Wash Greenway and Streambed Restoration***

***Dominguez Gap Wetlands***

# County of Los Angeles and LACFCD Support Alternative 5

THANK YOU
